## How we use cookies

A cookie is a small file which asks permission to be placed on your computer's hard drive. The file is added and the cookie helps analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

To find out more about what cookies we use and your consent to using cookies visit our [cookies policy page](#).

## How we process data

The company acts as both a data processor and a data controller for your personal information. This means that we process your data and we use to process your data. (We audit all third parties to ensure they meet the standards of data protection required under the GDPR). The third party data processors that we mainly use are: The data is being utilised and delivered to RBI/Bank other government agencies to comply with law. The data is utilised for transfer of your funds or shares in your accounts and shared with banks and other third parties.

## International transfers

To deliver products and services to you, it is sometimes necessary for The Jewellery Channel to share your data outside of the European Economic Area. This will typically occur when service providers are located outside the EEA, including our Parent Company VGL Group (<https://www.vglgroup.com>), or if you are based outside the EEA. These transfers are subject to special rules under data protection laws.

If this happens, we will ensure that the transfer will be compliant with data protection law and all personal data will be secure. Our standard practice is to use 'standard data protection clauses' which

have been approved by the European Commission for such transfers. Those clauses can be accessed at [https://ec.europa.eu/info/law/law-topic/data-protection\\_en](https://ec.europa.eu/info/law/law-topic/data-protection_en) .

## **Security**

We are committed to ensuring that information is secure. In order to prevent unauthorised access or disclosure we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

## **Links to other websites**

Our website may contain links to other websites of interest. However, once you have used these links to leave our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the website in question.

## **Controlling your personal information**

Unless the requirement to share your data to third parties as stated earlier, We will not sell, distribute or lease your personal information to third parties unless we gain consent from you or we are required by law to do so. Where we gain consent to share your personal information we make it clear to whom the data is being shared and for what purpose.

## **Access to your information and correction**

You have the right to request a copy of the information that we hold about you. If you would like to see the personal information that we hold about you.
